

1. Why Global Musics?

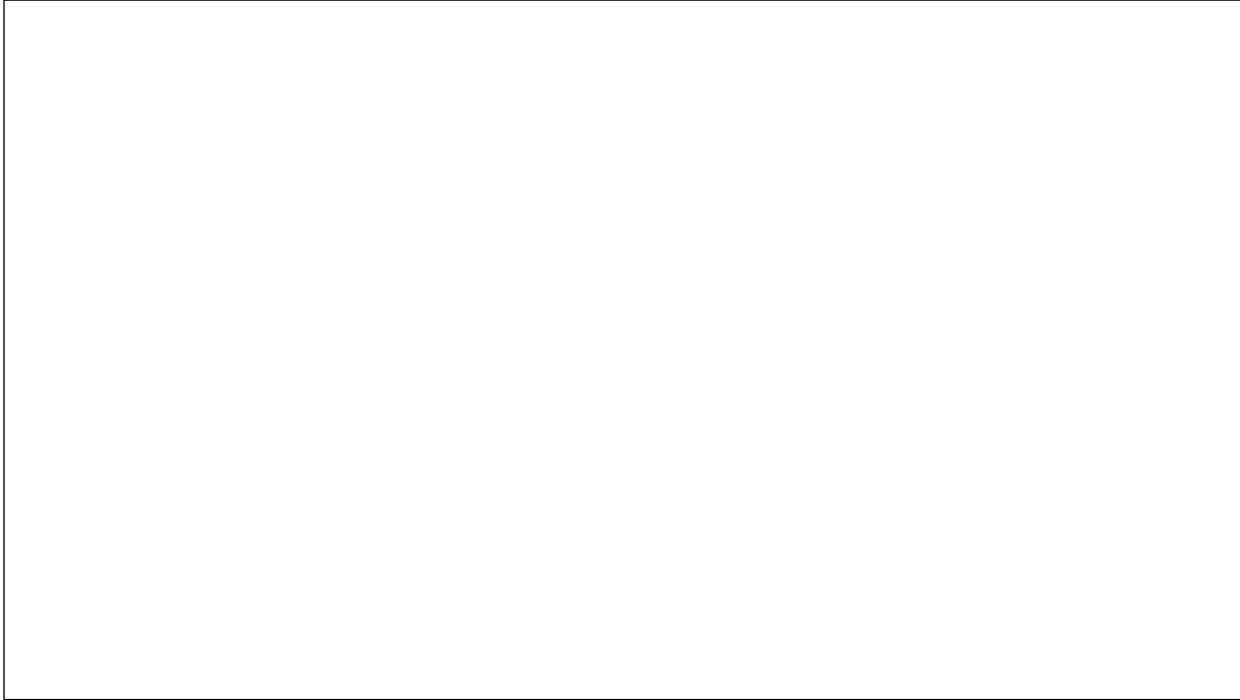

Explain why you are drawn to the Global Musics programme at Codarts. Discuss what excites you about diverse musical traditions and how this programme aligns with your artistic vision.

2. Why This Specialisation?

Discuss why you are applying for either *Maqam and Modal Traditions along the Silk Roads* or *Caribbean and South American Music*. Highlight your connection to the genre, past experiences, and specific interests.

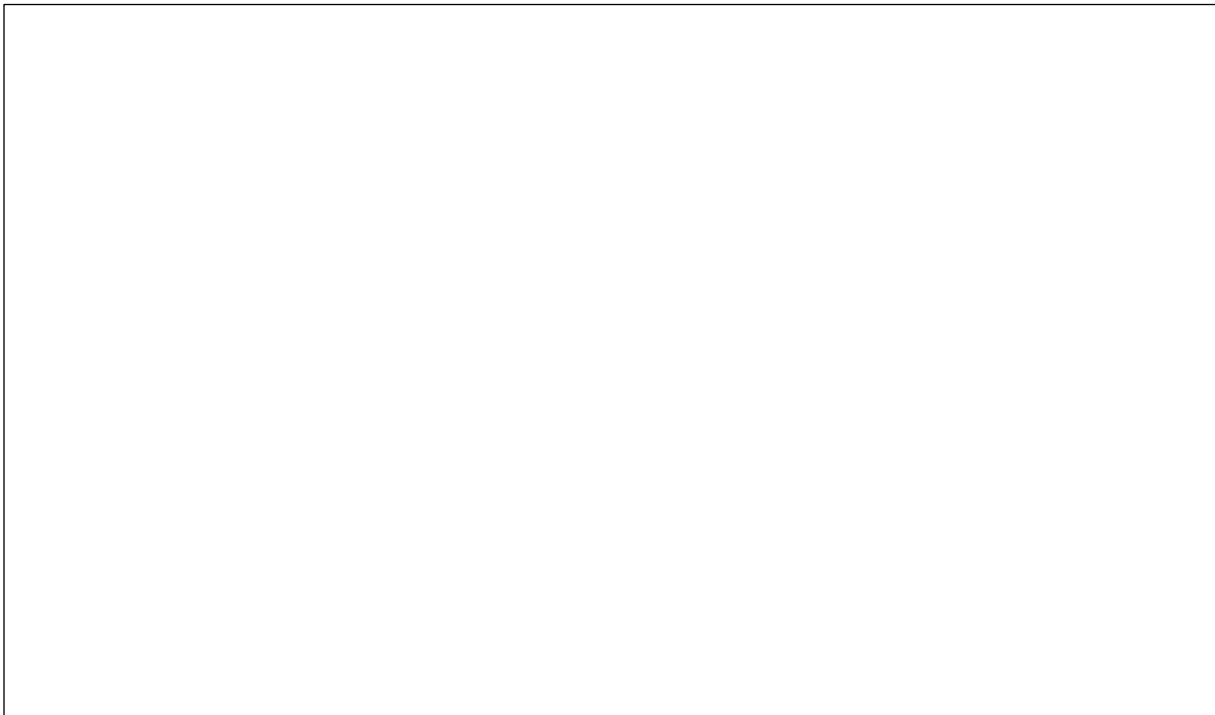

3. How My Music Connects to a Global Society

Explain how your music, artistic goals, and future career contribute to a more connected and diverse world. Discuss how studying at Codarts will help you develop your impact as a musician and global artist.

4. What I Hope to Gain from Codarts

Describe what you aim to learn and experience at Codarts, including ensemble work, collaborations, and artistic growth.

5. How I Will Contribute to the Codarts Community

Explain how you will add to the creative and cultural environment at Codarts, whether through collaboration, research, performance, or other contributions.

Conclusion:

Summarise your passion for the programme and your readiness to be part of the Codarts Global Musics community.
