*** Tuberculosis test**

The test at GGD Zalmstraat 7, 3016 DS, Rotterdam. Near metro station Leuvehaven. Costs +/- € 50. Check [Tuberculosis | TBC Zuid-Holland \(tbczuidholland.nl\)](https://www.tbczuidholland.nl) for all information. Make an appointment through: [Make an appointment | TBC Zuid-Holland](https://www.tbczuidholland.nl) (for IND screening).

Should you have any questions regarding your residence permit, please don't hesitate to contact Codarts International Office international@codarts.nl; phone number : +31 (0)10-2171026.

For more information and tips regarding immigration procedures check: www.ind.nl, www.government.nl & [Homepage | Study in Holland](http://www.studyinholland.nl).

STEP 2. Enrolment procedures

Make sure your enrolment as a student is completed. You will get more information in the enrollment package and you can already have a look at our website:

<https://www.codarts.nl/en/practical-matters/practical/enrolment-and-withdrawal/enrolment/> .

For more information please contact the Administrative Service Center: asc@codarts.nl.

STEP 3. Place to live

Rotterdam is becoming more and more popular and there is a big shortage in housing for both students and local residents. Therefore, we strongly recommend you to find a place to live as soon as possible to avoid stress and disappointment. Make sure to start your search already around May! Within Codarts there's no campus system. In the Netherlands students are responsible for their own housing.

Find more information and tips about how to find a place to live on [Codarts Rotterdam: Housing](#).

For questions contact our student counsellor: decaan@codarts.nl

STEP 4. Language proficiency

Dutch-language programmes

If you have a previous non-Dutch education and are planning to enrol for a Dutch-language programme, you will be required to pass the NT2-II state examination and send in your proof before 15 August, before the start of your studies. Registering for the exam is arranged via DUO. You need to arrange this yourself on time.

English-language programmes

To take part in an English-language bachelor's programme at Codarts, you must be in possession of an IELTS certificate (Academic level 5.5), a comparable TOEFL certificate or a comparable Cambridge FCE-C certificate. For an enrolment in a master's programme, you must hold at least an IELTS certificate (Academic level 6.0) or one of the above comparable certificates. If you cannot present a valid certificate or if you do not have an exemption, you must take part in the English test at Codarts.

The students below receive exemption from the English language requirement:

The student:

1. who has had prior training in the English language and has:
 - a. The European Baccalaureate with English as language of instruction and a pass mark for English;
 - b. the International Baccalaureate with English as the language of instruction and a pass mark in English;
2. who have completed a secondary or tertiary education (and obtained their diploma) in a country in which English is the official language of instruction (Australia, Canada, Ireland, New Zealand, United Kingdom and United States);
3. with a with a secondary school diploma (sufficient to enter a higher vocational education programme and a pass mark for the final exam subject English) from one of the following countries: Belgium (Flanders only), Denmark, Germany, Estonia, Finland, Hungary, Latvia, Lithuania, Luxembourg, Norway, Austria, Romania, Slovakia, Sweden.
4. who have obtained a mbo- level 4, havo or vwo diploma in the Netherlands. (NLQF4).

Please note: Codarts' ASC assesses whether the diploma obtained is sufficient to be exempted from the language requirement.

3. After arrival in the Netherlands

STEP 5. Residence permit

See in step 1 which requirements apply to you. Contact International Office within one week after arrival in the Netherlands. The International Office will let you know when your residence permit is ready for you and where you should pick it up. After you receive your residence permit card, make sure you make a scanned copy of both the front and back and send it to the Administrative Service Center via e-mail to asc@codarts.nl.

STEP 6. Dutch bank account

After you have found a place to live in the Netherlands, you can open a Dutch bank account for example at the ING bank (several places in centre of Rotterdam) or at the ABN AMRO bank: [Student Package - ABN AMRO](#). For opening a student bank account you need to provide the following:

- a proof of enrollment to Codarts (request via STIP – stip@codarts.nl);
- your passport;
- a Dutch address
- Burgerservicenummer (BSN) – social security number - (you will get it after registration at the municipality in the Netherlands)

Please notice that if you're under 18 years old, you need your parents or guardian with you to open a bank account.

If you have questions about this, please contact Codarts International Office international@codarts.nl.

STEP 7. Registration at the city hall

Codarts will organize two group appointments with the city hall. You can register for one of them during the kick off week OR you have to contact the city hall (www.rotterdam.nl) to make your own appointment.

Required documents:

- passport;
- statement of enrolment from Codarts;
- copy of your residence permit;
- your rent contract or tenancy agreement (tenancy agreement form to get at Codarts international office) + photocopy of the landlord's passport.

Please note: To live in certain neighborhoods in Rotterdam you need a housing permit (HVV).
Read more on: <https://www.rotterdam.nl/loket/huisvestingsvergunning/>.

STEP 9. Burgerservicenummer (BSN) – Social security number

After the registration in the City Hall you also receive your Burgerservicenummer (BSN) (social security number). Please see step 8 for the required documents. You will need this number to be able to open a Dutch bank account and in case you would like to work.

STEP 10. Work

You will receive your residence permit exclusively as a student, which means that you are not allowed to work regularly for money, except for students from most EU/EER-countries.

However: non-EU/EER-citizens can work *maximum 16 hours per week* **or** full time during the months June-July-August, and in all cases the employer needs to apply for a working permit through the Central Organisation for Work and Income (in Dutch: UWV). Working while studying means that you are **obligated** (by the Dutch law) to take out **basic health care insurance**.

For more information about insurance contact our student counsellor (decaan@codarts.nl).

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons.

The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

- Coverage for pre-existing conditions
- Coverage for (pre-existing) psychological conditions
- Schengen Proof Insurance

Your insurance should also apply for the entire duration of your studies in the Netherlands.

You must inform Codarts of this in writing.

Attachment 7. Explanation of the required financial documents for the residence permit application

The IND has very strict guidelines for the proof of financial means. It is very important that you follow these guidelines exactly, otherwise your application may be denied, or at the very least seriously delayed.

Required amount per month	
Preparatory year:	€ 1094.12 (excluding tuition fee)
Exchange students / Erasmus program:	€ 1094.12
Regular full-time students:	€ 1094.12 (excluding tuition fee)

You need to show that you will have a minimum amount of € 1094.12 every month for living expenses (please note: this amount is excluding the tuition fee and the immigration fee). There are several ways to prove sufficient means for costs of living in the Netherlands, depending on your financial situation. All documents must be drawn up in Dutch, English, German or French. The educational institution has to keep all records.

The student has sufficient financial means on her/his own bank account. If you can show proof of sufficient financial means on your own, there are two options:

1. Money in your own bank account

There are two options to show sufficient financial means on your own:

1. you transfer €15.000 to the Codarts bank account. The Codarts bank account information can be found on page 7 of this document. The legal costs for immigration are €243. the costs for AON complete + insurance are € 680.40 for the first study year After you arrival you will receive the rest of your money back on your Dutch bank account.
2. The standard amount is in your own bank account. This bank account is in your name. You can withdraw the money from the bank account free of charge. You have, for example, a current account or a regular savings account that allows you to withdraw cash. Do you have a different type of account? Please show that the balance can be withdrawn free of charge. Certificates of deposit are only accepted when they indicate that you may and can withdraw the money.

Do you have a joint account holder? A statement is then required. This statement indicates that you may and can use the money.

You need one of the following documents:

- ✓ An original bank statement. This bank statement is not older than 3 months. The bank statement shows:
 - the date;
 - your personal details (at least your initials and surname);

- the bank account number;
the balance;
- the contact details of the bank (website/email, bank branch including address and telephone number).
- ✓ A copy of an account statement. This copy is not older than 3 months. The copy shows:
 - the date;
 - your personal details (at least your initials and surname);
 - the bank account number;
 - the balance;
 - the contact details of the bank (website/email, bank branch including address and telephone number).
- ✓ A printout of the internet of the bank account. This printout is not older than 3 months. Do you have a printout of a foreign bank account? You also need an original bank statement.

The printout shows:

- the date;
- your personal details (at least your initials and surname);
- your address;
- the balance.

2. Scholarship
